Time: 9.15 – 10.45

Current COVID restrictions are at level 3+ for schools on the Central Coast. When restrictions are eased and schools move to level 3, transition programs will be reviewed. Therefore, schools are unable to proceed with a face-to-face Headstart program, at this time.

In the interim, and whilst we await further instructions, please visit the school's website to complete your child's enrolment as soon as possible. It is imperative you provide all necessary documentation to support the enrolment application.

Please refer to the school's website for the Parent information component of Headstart which has been developed to support the face-to-face sessions. Additionally, please take the virtual tour of our school with your children. There is a Frequently asked Questions (FAQ's) section on the website, however, if you require further information, please contact the school office.

Continue to check the school's website and Facebook page for any further updates or information.

We are looking forward to welcoming your child into our beautiful school.
