Learning from Home Package Information

Dear Parents/Carers,

The NSW Government has taken significant new steps to increase restrictions across the state – including encouraging parents to keep their children at home, if possible and a move to online learning.

At Copacabana Public School, we have a dedicated team of teachers working together to provide home learning packages to support the continuity of learning for our students to undertake from home should they be unable to attend school. A learning plan and a list of resources has been devised to assist you in implementing remote learning from home.

The teachers have planned learning that is age/stage appropriate. The content of all work set is familiar to your child and has been collated to support the classroom program. We hope that learning plans serve as a valuable resource to help assist you and your children

What your child will need:

- access to an internet connected device, if completing an online task
- logins to online learning platforms such as Reading Eggs
- assistance to log in from you, if needed
- paper and writing materials

How to set up your day:

Please take the time to read the extensive advice from the Department of Education in regards to learning from home:

<https://education.nsw.gov.au/teaching-and-learning/curriculum/learning-from-home>

Home Learning Packages will be available to pick you from your child's classroom teacher. Stage 2 and 3 students will have an exercise book and a reading contract accompanying on-line learning via Google Classrooms. Students can access Google Classrooms by logging into the student portal through <https://education.nsw.gov.au>.

K-2 students will be emailed their learning plans and hard copies can be picked up from your child's classroom teacher. It is an expectation that lesson plans be followed to maintain consistency of learning in these unprecedented circumstances.

Copacabana Public School staff value the strong partnership that we have with our students, parents and families. However, I ask that you please be respectful when communicating with your child's teacher at a time within normal working hours. Teachers will respond within a suitable timeframe.

I ask that you continue to be supportive of our staff as we work together to positively navigate through the current circumstances. We will endeavour to keep you updated via Remind, Facebook and the school's new website <https://copacabana-p.schools.nsw.gov.au/> as new information or updates become available.

Yours Sincerely,
Mary Hunt

Principal
