## **Term 2 Updates for Parents and Carers**

Welcome to Term 2!

### **Phase 0 – Weeks 1 and 2**

Students are encouraged to learn from home on-line in weeks 1 and 2. The school will be open for 'essential worker' families. If you are an essential worker and need to send your child to school we would ask that you organise the following items. Your child will need to bring their own drink bottle, headphones, and equipment, including a lead pencil and some coloured pencils. They will also need to bring their work pack with them. This will be sent home at the end of the day (K-2 students only). Stage 2 and Stage 3 students will continue to use Google Classrooms.

Drop off and pick up arrangements have been altered to adhere to mandated social distancing practices. When your child arrives at school, it is asked that you drop them off at either the front or back gate entry/exit points and move off quickly. In the afternoon, any child catching a bus will be directed to their bus lines and after school care children will be collected from the usual meeting spot. All other students will be collected from either the front or back gate. We ask that you please be at school in plenty of time to collect your child from these areas.

### **Phase 1 - Monday 11th May (Week 3)**

All children will attend school 1 day a week. More information will be communicated to you as soon as school organisation is completed. Students will need to follow the same standard practices and expectations as outlined previously for the students of 'essential workers'.

We appreciate and thank you for your continued support as we move through this new managed 'return to school' phased model. We will continue to keep you informed and updated as any new information becomes available, via Remind, the school's Facebook page and website. Thank you, to all parents for your amazing support during these unprecedented times.

Thank you,

Copacabana Public School Staff
